NON FOOD

Minimum Delivery

We reserve the right not to deliver an order (ambient, chilled, frozen, non food and butchery), which is valued at less than £75.

Split Charges

In order to meet your ordering needs, we are pleased to be able to split many of our products. Please see product information to see if a particular item can be split. We may make an additional charge, if you order substantial amounts of "split" items. All split charges are available upon request.

Ordering hours

The sales office is open between 8.00am and 5.00pm, Monday to Friday. All orders received before 5.00pm will be delivered the next day, if you are scheduled to be delivered on that day. Orders taken on a Friday, will be delivered on the next Monday, unless you have been scheduled for a Saturday delivery. Please see page 4 for our enhanced services.

Returns

Our drivers are not authorised to accept goods for return without either authorised documentation or authority from the sales office. However, damaged goods can be returned on the day of the delivery with the delivering driver. Chilled, Frozen, Meat and Fresh Fruit/Veg products from previous deliveries cannot be authorised for return in any circumstances.

Payment Terms

All accounts and outstanding balances must be settled in full by the 15th of the month following the invoice date. In the case of an account being in arrears, we reserve the right to withhold further supplies. If credit terms have not been established, payment on delivery is required.

Ownership of goods

Turner-Price Ltd retains the full title and ownership of all goods supplied to our customers until full payment is received.

All risks in the goods pass to the purchaser on delivery.

Delivery cages and pallets remain the property of Turner-Price Ltd at all times. We reserve the right to charge any customer for the non return of any cages or pallets.

Shortages

Turner-Price Ltd cannot guarantee that we will be able to deliver all goods ordered. If a particular product is out of stock, we will endeavour to find a suitable alternative or inform you when you will be able to receive the goods you ordered.

The exact number of goods delivered must be checked in the presence of the delivering driver. Claims for shortages must be made at the time of delivery. Claims must be made to the sales office on the day of delivery, otherwise any claim becomes void.

Pricing

Up to date prices are always available if you contact our sales office. If in doubt, please ask for prices before ordering.

Prices are fixed on the date of delivery and not the date when they were ordered. Prices charged on invoice are final.

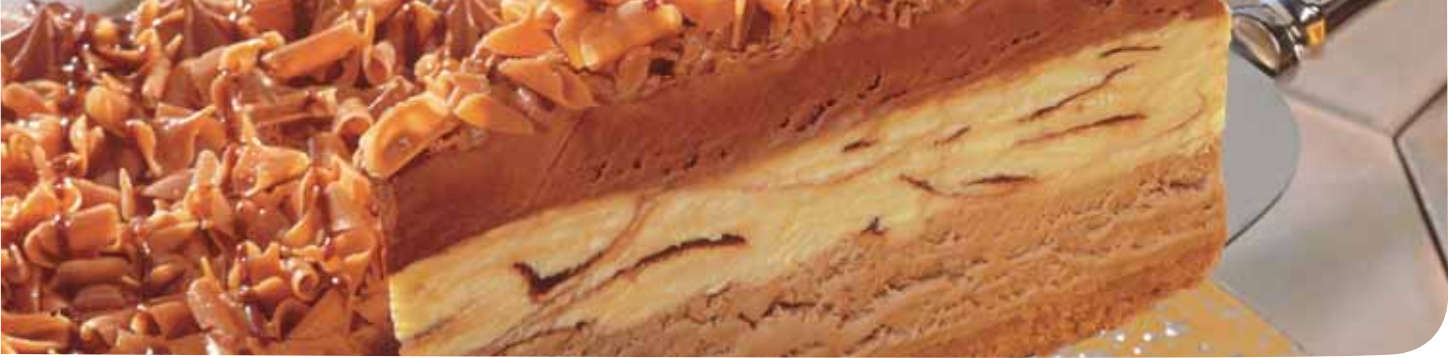

VAT will be charged at the appropriate rate on goods, where applicable.
